Dad, words cannot express just how much you will be missed. You were one-of-a-kind and showed us all how to live, laugh, and love. On behalf of myself and mom, Millissa, Claire and Sam, thank you for a life lived to its fullest. Heaven truly has gained another angel.

We have so enjoyed being friends and neighbors with Al. We moved in three years ago and he was a great support to us as we tackled old house problems. He gladly came to our rescue at a variance hearing. He shared funny stories of his past, his bountiful cherry tree and enlightened us to the possibility of Indians burying their horses on his property. I wish we could have been neighbors longer. Much love to Karen and his family, Gretchen
