My heart is broke. Carol was my light on a daily basis. She was such a happy person, loved her kids and friends. Walking into work on Monday was so hard for me because I knew she was not there anymore. She will be missed by everyone. When I would walk into her room in the morning, she knew why I was there. I would say, "Carol, let's go for a walk". She would look at me and smile and then she would say, "do I have to"? She would laugh and say, "if my mother was here, she would tell me to go outside and get some exercise". She always took her walks. I will miss you Carol. God speed kiddo. Fly high with the angels.

We lived on Chaddsford Dr. for 26 yrs and your family lived across the street. We became friends and literally watched your three and our four children grow up. I remember when Paul, who will always be Butch to us, became a police officer. My late husband, Jim was one of your biggest fans! He's in heaven now but on behalf of our family, Greg, Jim, Tim and Gloria let me extend my deepest heartfelt sympathy to each of you. May God comfort your hearts and the loving memories of both your Mom and Dad bring you peace in the days, weeks and months ahead.

Kathleen and family, on behalf of dad, Ken Federspiel, and our family we wish to extend our sympathies. Dad always enjoyed chatting with Carol and we appreciated when you joined us too. A beautiful fun loving soul is never forgotten. Still think about happy hours at Chapman a year and 5 months later. Prayers. Ann Godsey
