I had a chance to work with Deb at Haley for two years, one of the years when she fell ill. Please know how sharing, caring and joyful she was to work with....I never felt left out working in the office. God grant her a special place in Heaven. Prayers to her family and fellow FWCS friends who are missing some special angel we got to know here on Earth.

My parents and I were sad to hear that Mrs. McBride was ill and recently passed away. I was a student in her classroom in 1991-92. Mrs. McBride was very kind to me and I had great respect for her and will always remember her. My parents, Gregg & Paula Feiertag, and I send our thoughts and sincere sympathy to Mrs. McBride's family.

My deepest sympathy to Mike, Justin, & Lindsey on your loss. We were neighbors for several years & funny to learn Mike knew my dad from working at Phelps Dodge. I was so sad to see you move because you were great neighbors. I appreciate how you always looked out for me which put my parents mind at ease. You were the first to help when a tree fell in my yard - Deb said she'd send Mike right over as soon as he got home, lol! Many prayers to you, may you take comfort in your memories.
