Dan, Just heard the news and want to send our love and let you know that we are with you in spirit. I remember the stories of you talking about your dad (gears w/Dana) and how your love for the Fighting Irish lives on through you too. I know your dad was a great man because he had you and he will continue to live on through you and your family. I said a prayer to your Dad, and also will be praying for u and your family and friends. Love and Aloha the Taggerty Fam
