To all my Slater cousins, I am so sorry to learn of Jill's passing. I remember her as a young girl and have thought of her and all of you often. I am sorry that I have lost touch with your families. Since I am much older and live so far away, I guess it was hard to keep up. I was in touch with your Dad until he passed away. Also some of your family were in touch with my parents, Archie and June while they were still living. May you all be comforted with God's peace and love as you remember dear Jill.

I am extremely lucky and have married into the Slater family. Aunt Jill was a great lady who will be missed by all. I will always remember her attending my Zoom bridal shower during COVID lockdown and her beautiful get up at Cousin Jackie's wedding. My baby is due on August 17 and I so hope he arrives on that day so we can tell him he shares a birthday with such a special lady. My love to all the Slater brothers and sisters. I know no love like your family.
