Aunt Monica was so full of humor, compassion, and strength for those she loved and who loved her. She was always the "fun" aunt! Her warm smile and welcoming personality were undeniable, and she brought levity and joy to so many family gatherings. I remember wonderful times spent together at the lake house in the summers when the nieces and nephews were growing up. Aunt Monica was always so supportive and encouraging of my accomplishments and struggles in school and life. She made you feel like you could achieve anything you dedicated yourself to. I am so sorry for your unexpected loss. Aunt Monica will live on in the hearts of those she loved, those who loved her, and those she shared her light with.

So sorry to hear of Monica's passing. We both knew Monica from Central Catholic High School band and we all went to Germany in 1972 as a band before the Olympics in Southern Germany. We has lots of fun and great memories being together. Have not seen each other in 52 years but have the memories. Know a few of her cousins like Marti Robbins Trout and Rita as she sold us our first home when we settled back in Ft Wayne after 22 yrs in Air Force. We are on a 6 week camping trip out west and can't be there for her service but we will say prayers for Monica on Sunday in Minnesota. May God Bless you & your family during this time of grief and the months to follow.

Heart of Gold, wicked humor, fiercely faithful, wonderful friend...the world is just a little dimmer without Monica but the Heavens gained an Angel to watch over everyone she cared for. I'll forever be blessed to have walked the friendship path with Monica (and family) during a pivotal time of my life. Bonds are never broken and I'll cherish her forever in my heart and memories. Rest easy with James my friend.

Strong. Faithful. Hilarious. Loud. Protective. I could fill the page with accolades but then she wouldn't seem real. She was also vulnerable yet she stepped up to the plate many times to serve those who could do nothing for her, just because they were children of God. My children and grandchildren adored her. Any time we had a family function, they would always ask if Aunt Monica and Uncle Jim would be there. Monica knew how to flash that huge smile and we'd wonder what joke was just about to emerge. Yes she was real. She was my sister. Who am I going to call in the middle of the night now when I have something to cry about? I love her.

This is a great loss for the entire family. Everyone loved Aunt Monica. Her sense of humor was unparalleled, and her heart was so big. We know we will see her again. Until then, there's a great big hole here in her absence yet a big ole party going on in Heaven! Aunt Monica always made everything fun.
